

Stationary Refrigeration and Air Conditioning Industry Bodies

Listed below are the main stationary Refrigeration and Air Conditioning industry associations and bodies.

Acronym	Name	Purpose	Website	Telephone	Email
AIRAH	Australian Institute of Refrigeration, Air Conditioning and Heating	AIRAH is a specialist organisation for air conditioning, refrigeration, heating and ventilation engineering professionals.	https://www.airah.org.au/	03 8623 3000	airah@airah.org.au
AMCA	Air Conditioning and Mechanical Contractors Association of Australia	AMCA is an organisation of air conditioning and mechanical services companies who have come together to represent and promote the industry along with the wellbeing of the companies.	https://amca.com.au/	03 8831 2800	https://amca.com.au/Public/About/Contact_Us.aspx
ARBS	Air Conditioning, Refrigeration & Building Services	ARBS is Australia's only dedicated HVAC&R and building services trade exhibition supporting the built environment.	https://www.arbs.com.au/	03 9002 4099	https://www.arbs.com.au/contact/
ARC	Australian Refrigeration Council	The ARC administers refrigerant handling licences and refrigerant trading authorisations on behalf of the Australian Government, to professionals in the refrigeration/air conditioning and auto industry.	https://www.arctick.org/ https://www.arcltd.org.au/	1300 88 44 83	enquire@arctick.org
AREMA	Air-Conditioning & Refrigeration Equipment Manufacturers Association of Australia	AREMA is an organisation representing companies actively engaged in the manufacture and / or marketing of air filtration, air-conditioning and refrigeration equipment throughout Australia.	https://arema.com.au/	1300 413 011	secretariat@arema.com.au
ARMA	Australian Refrigeration Mechanics Association	ARMA's mission is to provide a grass roots, industry-led platform for Australia's refrigeration and air-conditioning tradespeople to be heard by government.	https://www.arma.org.au/	0403 680 981	kim@arma.org.au

ARC Technical Resources

ASHRAE	American Society of Heating, Refrigerating and Air-Conditioning Engineers	With more than 50,000 members from over 132 nations, ASHRAE is a diverse organization dedicated to advancing the arts and sciences of heating, ventilation, air conditioning and refrigeration to serve humanity and promote a sustainable world.	https://www.ashrae.org/		https://www.ashrae.org/about/contactus/contact-us-form
CIBSE	Chartered Institution of Building Services Engineers - Australia	CIBSE provides its members and the Greater Building Industry with progressive leadership, knowledge, and promote competence that forges new standards of excellence in design, science and engineering of the built environment.	https://www.cibse.org/networks/regions/australianew-zealand		secretary@cibse.org.au
ERAC	Electrical Regulatory Authorities Council	ERAC is an organisation formed to coordinate the activities of Australian and New Zealand electrical regulators.	https://www.erac.gov.au/	03 9203 9700	erac@erac.gov.au
IOR	Institute of Refrigeration	The IOR provides a central resource for people from all over the world to improve the application of refrigeration and allied fields for the general good of society with particular emphasis on environment, efficiency, safety and innovation.	https://ior.org.uk/		https://ior.org.uk/about/contact-us
MEA	Master Electricians Australia	Master Electricians Australia was established out of a need for a national approach to industry leadership and development.	https://masterelectricians.com.au/	1300 889 198	info@masterelectricians.com.au
NECA	National Electrical and Communications Association	NECA represents the interests of the electrical and communications contracting industry across Australia.	https://neca.asn.au/	1300 361 099	https://neca.asn.au/content/nationalcontact-us

RA	Refrigerants Australia	Refrigerants Australia is the peak organisation representing the supply chain of refrigerants both in bulk and in equipment. Its responsibilities cover the whole spectrum of the refrigerant life-cycle – importing, selling, using and reclamation or destruction.	https://www.refrigerantsaustralia.org/		info@refrigerantsaustralia.org
RACCA	Refrigeration and Air Conditioning Contractors Association	RACCA represents the interests of refrigeration and air conditioning contractors across Australia, from employers and business people to technicians.	http://racca.asn.au/	0405 224 779	info@racca.asn.au
RAC TA	Refrigeration and Air Conditioning Training Alliance	The RAC TA is group of refrigeration and air conditioning vocational education teachers/trainers from around the country formed to share their knowledge, experience, resources, issues and solutions.	Contact: Paul Wright or Steve Smith	0427505737 0402132903	Paul.Wright@cit.act.edu.au steve@stc.nsw.edu.au
RRA	Refrigerant Reclaim Australia	RRA is a not-for-profit organisation based in Canberra that works nationally with the refrigeration industry to recover, reclaim and destroy ozone depleting and synthetic greenhouse gas chemicals.	https://refrigerantreclaim.com.au/	02 6230 5244	info@refrigerantreclaim.com.au
