**FOR IMMEDIATE RELEASE**

## **Gold medallion for ARC by WorldSkills Australia**

ARC is proud to announce it has received the prestigious Gold Medallion from WorldSkills Australia, honouring its longstanding partnership and unwavering support for refrigeration and air conditioning skills excellence across the country.

The medallion is a recognition of the long-standing partnership ARC has had with WorldSkills Australia. ARC's collaboration with WorldSkills Australia spans several years, during which the company has actively contributed to national and international competitions that empower young Australians to pursue careers in various trades.

"We are deeply honoured to receive this recognition from WorldSkills Australia," said Noel Munkman, Technical & Training Manager at ARC. "This medallion reflects our shared mission to inspire and equip the next generation of skilled professionals. We believe in the power of hands-on learning and are proud to support programs that make a real difference in people's lives."

ARC's involvement has included sponsorship of regional, national and international competitions, and direct engagement with apprentices and educators. These efforts have helped raise the profile of RAC industry and foster a culture of excellence and innovation within the sector.

As ARC celebrates this milestone, the company reaffirms its commitment to supporting younger professionals to shape a brighter future for Australia's workforce.
